# Not your ordinary office space

## **A venture playground**

Our spaces are designed for growing companies from 4 to 40 people, who want a balance between privacy and community.

Our approach to design is minimalistic, so what we offer is a platform for your brand, never ours.

# Location: Sloterdijk

## **Train station Sloterdijk**

10 minute walk

## **A10 Highway**

1 minute drive

## **Schiphol Airport**

10 minutes by train

## **City Centre**

15 minutes by bike

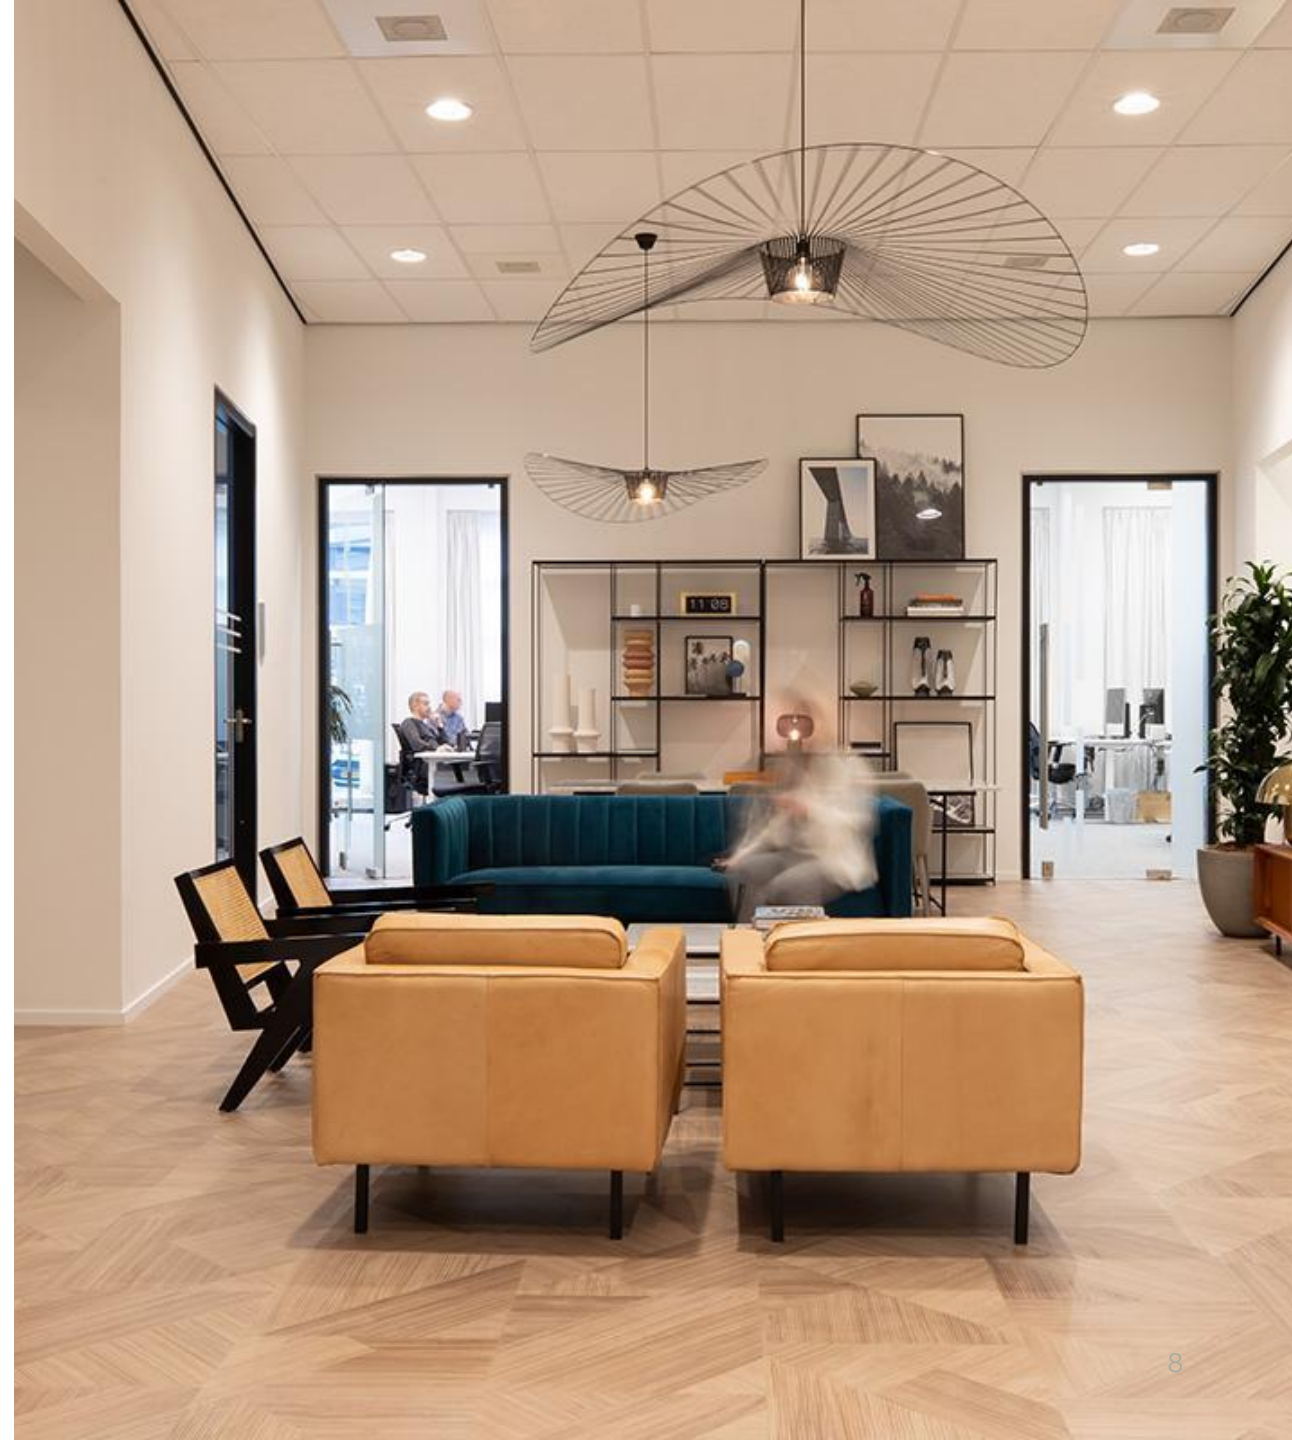

# The benefits

You focus on your business and growth. We'll take care of the rest.

- Open 24/7: you can enter and leave the office whenever you want;
- Meeting rooms: available and bookable online;
- Coffee/tea: Ethiopian Moyee coffee and tea on tap;
- Internet: high speed glass fibre internet;
- Cleaning: daily cleaning of common area's and offices on a weekly basis.
- Flexibility: for as long or short as you want;
- Parking optional.

# Flexible contracts

You have the freedom to scale your space up (or down) and we will assist you in every way we can.

## Space to focus

Generous hallways and natural light make us more productive. We design every location to give you a choice of how and where you work.

# Simple commutes

Each of the locations is chosen for convenience, always within easy walking distance from either a major train station, or in close proximity of major highways.
