# Not your ordinary office space

## *A venture playground*

Our spaces are designed for rapidly growing post start-ups up from 4 to 40 people, who want a balance between privacy and community.

Our approach to design is minimalistic, so what we offer is a platform for your brand, never ours.

# Utrecht

We are located at Europalaan 40 on the ground and 1st floor.

The Avenue building is easily accessible by car. The A12 motorway is 2 minutes away. It is also easily accessible by public transport. From Utrecht Central Station it takes the tram approximately 6 minutes to the stop in front of the building, after which the office building can be reached on foot in 2 minutes.

Get in touch

You want to focus on your business and growth. We get that! That is why we will take care of the rest.

At ScaleHub you can feel free to come in whenever you want. Our offices are open 24/7. And with Ethiopian Moyee coffee & tea on tap and high speed glass fibre internet, your daily (or nightly) routine will be as smooth as possible.

Next to having all the possible Covid precautions in place, common areas are deep-cleaned on a daily and offices on a weekly basis.

We know that business always changes. That is why, once being part of the Scalehub community, you have the freedom to scale your space up (or down) and we will assist you in every way we can. Our main goal is to be a flexible, supportive partner for your business.
