Not your ordinary office space

Our spaces are designed for rapidly growing post start-ups up from 4 to 40 people, who want a balance between privacy and community. Our approach to design is minimalistic, so what we offer is a platform for your brand, never ours.

The Joan

We are located at Joan Muyskenweg 30, on the third floor.

The Joan is located in the traffic hub of the A2 and A10 and is therefore easily accessible as this is one of the most visible places in Amsterdam. In addition, public transportation is located nearby.

Get in touch

You want to focus on your business and growth. We get that! That is why we will take care of the rest. At ScaleHub you can feel free to come in whenever you want.

Our offices are open 24/7.

And with Ethiopian Moyee coffee & tea on tap and high speed glass fibre internet, your daily (or nightly) routine will be as smooth as possible.

We know that business always changes.

That is why, once being part of the Scalehub community, you have the freedom to scale your space up (or down) and we will assist you in every way we can. Our main goal is to be a flexible, supportive partner for your business.

Sustainable

We are proud to say that the building has a Breeam Excellent rating. For example, green energy is used and to prevent waste, water-saving techniques have been applied for taps, urinals and toilets. For example, rainwater from the roofs is collected to flush the toilets, but also to moisten the 'green lungs', the walls with plants.
